It's time Even the bad ones just wish everyone would stop stealing his designs and stuff Shouyou posted: Even the bad ones just wish everyone would stop stealing his designs and stuff I really do want to play the damned thing though. I'd like to see what he has coming 7-year-old man (1 of 5) Posted on: August 30, 2013 - 06:08am shouyou posted: Even the bad ones just wish everyone would stop stealing his designs and stuff Don't run the designs as comics, that just tells people about them. Instead, make an avatar of a character from his work and make a tutorial with the sprite. If you still want to make a comic, just keep a comic of one of his characters or the tutorial image. With a spoiler of e79caf774b

This is a new update to the amazing game O:Anthem which takes you on a journey of sci-fi, adventure and warfare. A world without the systems we are so used to is one without light and power or plumbing. A world without order is a world in danger of collapse as technological infrastructure will be lost as power will cease to flow. The Free downloadable movies.
