Live Chat Company Country About Us The goal is to provide our customers and the home builder community with the best service possible. We want to ensure our

customers have a great experience and enjoy the home building process. We hope you will join the Patterson Homes family. Login To Our Website Everything you need is at your fingertips, just use the links at the top of each page. Buy Process Bidding is open for 10 days from the time the offer is accepted. There will be bidding, and negotiations will be ongoing until your offer is accepted by the sales team. All processes are transparent. Date Of Home Delivery The homes are delivered when construction is complete. For the HOA communities all homes are delivered by the end of summer. The land and exterior facade will be finished as well. The first families move in mid-to late-August. For the non-HOAs we have a target delivery date during July. Home Aesthetics The homes are designed to be the best in their category. They are planned, architecturally, to be the finest homes in their neighborhoods. They are well planned, though efficient, with lot lines that let you connect to green space and create a lifestyle. They are for a mid to upper income family and to have

the benefits of a new home. Our Commitment
We are committed to the communities where
we live and work. Our
