THE HUNDRED FUTURE Elden Ring is a fantasy action RPG where ancient human magic powers return to the lands between. Elden Ring portrays the unprecedented worldview of an era where the mysterious lands between, human and elden societies, and powerful human-elder god organizations are blending together. In this land, darkness has spread, and the balance of the world is on the brink of collapse. Heptarion, the one believed to have brought the power of the ancient human civilization back to the Lands Between, led the war against darkness, but his power and force has been weakened through the long war. Since heptarion's magic power is reaching the end of its lifespan, his power is depleted and he may not be able to destroy the remaining darkness, and all of humanity may perish. To restore the balance of the world and assure the future of mankind, the humans and the elves must combine their power to become a new force and rise together as a single person. The human race is about to wake from a dream. Its destiny is in the hands of the people of the Lands Between, and with the power of magic and the strength of friendship, the new dynasty will rise to a new era. The Force called the New Elden Ring. PRE-ORDER FEATURE Game Package: • Access to Alpha and Beta of the game • Access to a special character portrait • An exclusive item for each character • The ability to become a character with significant influence on the overall storyline • In-game text messages with special messages sent to the official forum • A special message in the emblem of the game THE GAME High-Def is here! The game is fully localized into Spanish and Korean. Scene 1. In a large antechamber of the castle, the body of a girl with a black cloak is laid out for viewing. Her body is covered by a white cloth with red splotches on it. The sight of the girl's body provokes an uncomfortable feeling in the hearts of all the people in the room. A man wearing a silver mask and holding a large sword steps in the door. "Humans, I have come here to speak with all of you." Scene 2 The man speaks, "I've come from the Elden Council.

5/5 - IndieGames "Anyone who has been a fan of the Final Fantasy series will be happy to hear this game is a very faithful reboot of one of the most beloved RPGs of all time, with its own unique take on traditional gameplay and awesome, fleshed-out story." "Good world building, lots of characters, lots of moral choices, fun combat and awesome graphics. If you can get past the simplified graphical style of the game, Elden Ring is a great RPG." "If you are a fan of the final fantasy series, you will definitely like this game. I would give it a 10/10 and it comes highly recommended." "An entertaining game that offers many hours of fun and maybe even leaves you wanting more from a game of its type." "Elden Ring is a fun and addictive RPG for people who enjoy the classic action RPG style." "Absolutely one of the best indie RPG games in a long time." "Well, like the first game, it's an RPG with action elements that gives the player the feeling of being a super hero. The game has a sort of western twist with RPG elements and not as much fantasy elements that the other game had. The graphics are very cute and nostalgic." "Another fun and cute game with its interesting and unique style." "It is a pretty fun game if you ever do like the RPG genre, and it is very fun to go back to as well. Overall, it is a good game that is enjoyable to play for the most part." REVIEWS ELDEN RING ILLUSTRATED GAME: 4.4/5 - GameChronicle "Elden Ring is a fairly generic fantasy action game where the player controls a hero who is tasked with fighting evil characters and restoring a small village to safety." "Elden Ring is an action adventure where you have the freedom to choose your character's moves and the enemies." "Elden Ring is an action-RPG that has some elements of Final Fantasy and Final Fantasy Tactics, but takes many different twists to add a new gameplay experience to the genre. It is a very well put together game that is fun and enjoyable." "Elden Ring is a pretty fun game, something on the lines of Dragon Quest and Final Fantasy, but in a nice cartoonlike way." "Elden Ring is something of a surprising example of a successful RPG/action hybrid, more than all the bff6bb2d33

**What's new:****The Legend of Heroes: Trails of Cold Steel III...**

Multiple worlds where different stories of Cold Steel are told together. An epic story in which an unprecedented Cold War in Europe unfolds over four generations. An adventure filled with emotion that will take you on an unforgettable journey.

**What if the incidents from the previous title continued...?**

The full story and quest arc of the most popular "Trails of Cold Steel II" series continues in "Trails of Cold Steel III".

Characters of the previous title have grown and strengthened and have now gained the power to overcome legends of their own. Together, with the power of your choice, you will go on an epic adventure to help strengthen the bonds between nations in the pursuit of a peaceful future.

**The game includes:****• A Distinctive Story in a Setting of Epic Proportions****A Far Distant Time & Place  
&nbsp; &nbsp; &nbsp;**

The setting of "Heroes of the Noble Class" takes you to a time and place where the shadows of strife and war were cast upon the world, and where human emotions rule the world. A desolate and land that has been enveloped in the "Galidon" fear, and where an immense balance of power has slowly begun to tilt against the values of human civilization...This is the new world of Trails of Cold Steel.

Now you will not only walk the places previously visited in the series! The distant story of "Heroes of the Noble Class" will also continue forward to the next generation. Here, Japan is in the midst of a period of reconstruction in the aftermath of World War II, and in a society where power relations have broken down.

**• A Main Character with Epic Charisma - A Girl Possessing Grandiose Intent  
&nbsp; &nbsp; &nbsp;**

Stella has grown up in independence and is rather intent on remaining so.
